Jan is passionate about watercolors. One look at her paintings tells you are looking at the work of a fine artist who is capable of capturing the essence and beauty in diverse subjects - flowers, landscapes, still life vignettes and portraits - people and pets. She gives demos at the Suburban Art League, The National Art League and the Manhasset Art League. Her classes fill up at the Art League of Long Island and at The Artists Studio at Chelsea Mansion in East Norwich. Her work can be seen in Creations Magazine on each issue's Poetry Page. Works have also been chosen by businesses to hang on offices and hallways, by homeowners to hang on the walls of their homes, commissioned by organizations to fuel their fundraising efforts and to adorn their journals and marketing materials. She has traveled to Europe on several painting trips and now organizes her own painting excursions. Jan is a graduate of the Fashion Institute of Technology with an Associates in Applied Science degree, graduating with high honors.
